Da Lat Night-View Café Map

6 cafés on the hills east of town (Xuan Truong – Trai Mat), looking down on the greenhouse valley. Arrive for sunset and stay until the greenhouse lights come on across the valley. They are close together, about 5–6 km from our shop.

● Easy on an electric scooter ● Better on a Honda Air Blade 125cc (hills / longer ride)

Directions are true; distances are compressed so far spots fit on the page.

Good to know

- **Best time** — from sunset (around 17:30) into the evening, when the greenhouse lights in the valley come on
- **Cold** — the hills are very cold and windy at night — bring a warm jacket
- **Weekends** — very busy — arrive before sunset for a good seat
- **Rainy season** — rain is common in the late afternoon and fog can hide the view

Tips

- All 6 cafés are about 5–6 km from our shop — an easy round trip on an electric scooter.
- The roads up are steep, dark and often foggy — use your lights and ride slowly.
- Don't drink and ride.
- A 1-day rental runs until 21:00 — to stay out late, rent for 2 days or more and keep the bike overnight.
- Prices under each café are what guests report on Google Maps and can change.
