Da Lat Self-Guided Day Trip: Hot Check-in Spots

The same day out as the popular check-in group tours, but on your own motorbike: two stops east of town (towards Trai Mat) in the morning, two around Tuyen Lam Lake in the afternoon. At lunchtime you pass the centre — handy for food and a battery swap at our shop if you ride electric.

● Easy on an electric scooter ● Better on a Honda Air Blade 125cc (hills / longer ride)

Directions are true; distances are compressed so far spots fit on the page.

Suggested plan

- **8:00** — Lac Hu Co Tran — Asian-style old town with a lake and bridges
- **9:30** — Memory Station (Tram Ky Uc) — rail track, small lake, lots of flowers
- **12:00** — lunch in the centre; electric scooters can swap the battery at our shop (20,000 VND)
- **13:30** — Suoi Binh Yen — stream and pine forest, food on site
- **15:30** — Happy Hill — flower hill over Tuyen Lam Lake

Good to know

- The loop is about 27 km in a straight line, longer by road — on an electric scooter swap the battery at lunch (one battery is about 35–40 km), or take a Honda Air Blade 125cc for comfort.
- Ticket prices shown for each stop are for reference (collected October 2026), usually with a drink — they can change, check at the gate.
- Happy Hill is very busy at weekends — go on a weekday or arrive early.
- The access roads to Suoi Binh Yen and Happy Hill are narrow and steep in places — ride slowly, especially in the rain.
