# Da Lat Self-Guided Day Trip: New Attractions 2026

The same day out as the popular 'new attractions' group tours, but on your own motorbike — your timing, as long as you like at each stop. 4 stops in a sensible order: north to Langbiang Land, across to Ta Nung, down Mimosa Pass and a strawberry farm on the way back.

● Easy on an electric scooter ● Better on a Honda Air Blade 125cc (hills / longer ride)

Directions are true; distances are compressed so far spots fit on the page.

## Suggested plan

- **7:30** — pick up the bike at our shop or your hotel, ride to Langbiang Land
- **10:00** — on to Mongo Land in Ta Nung — 150 m slide, grass hills, animals
- **12:30** — lunch on the way back towards the centre
- **14:00** — Hoang Long Ohayo on Mimosa Pass
- **16:00** — pick strawberries at the farm, return the bike before 21:00

## Good to know

- The loop is about 43 km in a straight line, longer by road and hilly (Ta Nung, Mimosa Pass) — take a Honda Air Blade 125cc; one electric-scooter battery (about 35–40 km) is not enough.
- Ticket prices shown for each stop are for reference (collected October 2026) — they can change, check at the gate.
- Fill up before Ta Nung — few petrol stations on the pass.
- The Ta Nung road and Mimosa Pass have many bends — ride slowly and never overtake on a bend.
