Da Lat Waterfalls Map

6 waterfalls open to visitors, from Cam Ly in the city to Pongour, the widest in the region. Datanla, Prenn and Lien Khuong sit on the same road south (QL20), so they fit in one ride; Elephant Falls is a turn-off towards Nam Ban. Ticket prices under each waterfall are for reference and can change.

● Easy on an electric scooter ● Better on a Honda Air Blade 125cc (hills / longer ride)

Directions are true; distances are compressed so far spots fit on the page.

Good to know

- **Rainy season** — more water and more dramatic falls, but the water is often muddy; in the dry season there is less water and it is clearer
- **Opening hours** — most about 7:00–17:00 — go in the morning
- **Shoes** — paths down are steep and wet rocks are slippery — wear shoes with grip
- **Closed** — Hang Cop (Tiger Cave) and Gougah falls are not open to visitors now, so they are not on the map

Tips

- Cam Ly, Datanla and Prenn are close to the centre — fine on an electric scooter; Lien Khuong, Elephant Falls and Pongour are farther — take a Honda Air Blade 125cc.
- Don't swim or wade at the foot of a waterfall, especially after rain — the water rises fast.
- QL20 over Prenn Pass has many trucks and coaches — keep to the right and don't overtake on bends.
- Ticket prices are reference prices collected in October 2026 — check at the gate.
